PECANS FOR THE HOLIDAYS

Place your order now

The Lakemoor Hills Garden Club's annual pecan sale is easy as pie again this year. Place your order before mid-October and your new-crop pecans will be delivered to your home before Thanksgiving. A garden club member will call or e-mail you to arrange the most convenient delivery time.

These are mammoth whole new-crop Georgia pecan halves for only \$12 per pound. Pieces are also available. Remember, proceeds from the pecan sale are used to beautify the neighborhood's public garden areas. If you have questions call Fran Thomforde at 621-2418 or e-mail thomforde@comcast.net.
