Please download this form and complete it, indicating the plants that you are so generously donating and as much information about your plant(s) as you can. If you have pictures, include those as well. If you are unable to contribute plants, we would happily welcome a monetary donation to the Lakemoor Hills Garden Club. Make checks payable to the club. All funds will be used to continue developing the Legacy Park and Gardens at Circle Lake and other beautification projects in our neighborhood. **Please return this form ASAP so that we can plan for labels and descriptions of your plants prior to the sale.**

Return form via email to Fran Thomforde: thomforde@comcast.net

Return form or donation via U.S. Mail to: Fran Thomforde - 3616 Circle Lake Ln. – 37920

- If you need help identifying plants that would be appropriate for the sale or need help digging some identified plants, please call Kristin Bianconi (865-591-6268) or John Bradley (317-646-5412) and they will gladly help you.
- Please indicate below how your donated plants will get to us:
 _____ I will deliver my plants to the Thomforde home at 3616 Circle Lake Ln. anytime during the day from Oct. 19th – Oct. 21st
 _____ I request that my plants be picked up from my home and understand someone will call me to arrange that pickup.

Plant Contribution Form

PLEASE NOTE: Keep this page for future reference

Planting guidelines:

- Plants should be dug during September or October and planted in potting soil and pots that are appropriately sized for the plant (approx. 4" pots for smaller perennials; quart pots for larger perennials; 1-3 gallon pots for small shrubs or trees). Please label your plants (your name and plant's common name) with a popsicle stick, sticky label or duct tape and permanent marker. Bulbs should be put in plastic zip-lock bags and labeled similarly. Be sure to keep your potted plants watered during dry periods.
- It is important that we receive your plants no later than October 21st as we will be organizing, pricing, and setting up the sale in the garden on the 22nd. You may drop them off at the Thomforde home: 3616 Circle Lake Ln. or someone will call you and arrange a time to pick them up if you indicated that on the previous form.

A few extra goodies for contributors:

- Every neighbor who contributes plants or makes a donation will have a chance to win one of our fabulous "gate prizes". Your name will be placed in a big jar and we will draw names for garden-related prizes during the sale. Winners will be notified by phone. Each contributor will receive \$3.00 off their total purchase at the sale 😊
- There will also be a silent auction of shrubs, trees, and other garden items contributed by many of our local nurseries. Winners will be notified via phone at the end of the sale.
- A spreadsheet of all available plants will be posted on the LHHOA website on the 22nd of October. Please peruse that list, come to the sale and add a few exciting varieties of plants to your gardens and spend very little money doing it!
- If you have any questions about the sale or the process for contributing plants, please don't hesitate to contact any of our plant sale committee members:
