

LHHA is soliciting money to assist in maintaining the three (3) roundabouts and LH sign at the Montlake entrance of LH. The LH Garden Club secured funding through the LH Resource Council for new plants to “spruce up” the roundabouts. This year we were able to secure money from Lakemoor Station Apartments and Sevier Heights Baptist Church to help with the maintenance of the roundabouts.

LHHA is contracting out the work to maintain the landscaping of these roundabouts and LH sign. The anticipated cost will be around \$2,200.00.

Gracious LH neighbors have already donated to this cause. Our goal is to raise \$750.00.

If you’d like to donate to this worthwhile cause, you can mail a check, use Venmo, or contribute on the LHHA website. Please note that your contribution is for the LHHA Beautification Committee. Please see below:
